AUSTRIA SEVERES RELATIONS WITH THE U. S.

ASK A JOINT COMMITTEE TO CONDUCT WAR

WASHINGTON, APRIL 9.—A JOINT RESOLUTION FOR A CONGRESSIONAL "JOINT COMMITTEE ON THE CONDUCT OF THE WAR" WAS INTRODUCED SIMULTANEOUSLY TODAY BY SENATOR WEEKS OF MASSACHUSETTS AND REPRESENTATIVE MADDEN OF ILLINOIS, BOTH REPUBLICANS.

The committee would be composed of six members of the Senate, including four Democrats and two Republicans, and six from the House, evenly divided between Republicans and Democrats.

The resolution provides that the committee shall be known as the Joint Committee on the Conduct of the War; and shall sit during the sessions or recess of Congress; and shall make a special study of problems arising out of the war; and shall confer and advise with the President of the United States and the heads of the various executive departments; and shall report from time to time, at its own discretion or when requested to do so by either branch of Congress.

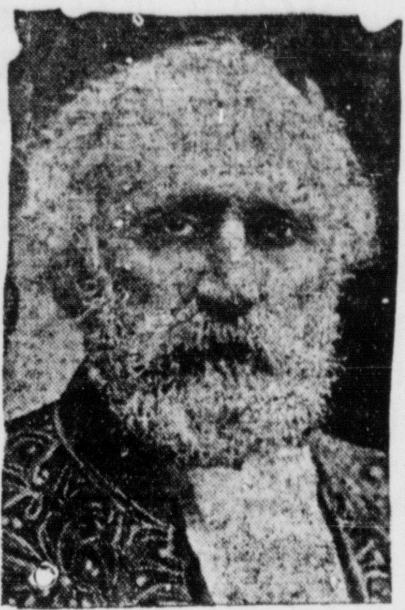

The committee would be clothed with the widest powers of investigation in compelling testimony under oath.

GERMAN PRESSURE PROVES TOO MUCH FOR THE DUAL MONARCHY

Austrian Ambassador Asks Passports of State Department at Washington—Declaration That State of War Exists Between Austria and America Expected To Follow—U. S. Relieved of Care of 2,000,000 Prisoners of War.

TURKEY AND BULGARIA MOMENTARILY ARE EXPECTED TO FOLLOW ACTION OF AUSTRIA

Washington, April 9.—(Associated Press Dispatch)—Austria-Hungary, under the pressure of Germany, has severed diplomatic relations with the United States.

Baron Erick Swiedinek, Austrian Charge d' Affairs here, called at the State Department today and asked for passports for himself and the Embassy Staff.

Almost at the same time, a dispatch was received from American Minister Stovall at Berne, saying the Dual Monarchy had broken off diplomatic relations with the United States in Vienna yesterday.

It is presumed that this was done by handing passports to American Charge Grew.

American Ambassador Penfield, who had left Vienna on Saturday, probably did not know of the government's action.

By pre-arrangements, Spain will take over the diplomatic and consular interests of the United States in Austria-Hungary.

All Austrian consular agents will depart from the United States with the diplomatic mission, as was the case with Germany.

Up to the time Baron Swiedinek asked for his passports, no similar action had been taken by Bulgaria and Turkey.

Germany's two other allies and their representatives here disclaim having any knowledge of the intention of their governments. It is expected here they will follow by breaking diplomatic relations.

Austria's break with the United States undoubtedly is the prelude to a declaration of a state of war.

The United States by the break in relations is released of the care of probably 2,000,000 war prisoners. In Russia alone, it is estimated that 1,250,000 Austrian prisoners were under American protection, with a considerable number in France, also.

In Austria the United States had cared for all the Italian and Roumanian prisoners. Other small groups are thought to bring the total well up to 2,000,000.

About 200 native Americans are thought to be in Austria-Hungary, with perhaps another 1,800 naturalized Austro-Americans, most of whom may prefer to stay in the country of their birth.

Officials here expect no difficulties to be placed before Americans in Austria, and that all the American Embassy officials will be permitted to leave without restraint or inconvenience owing to the decidedly friendly feeling that Austria has shown despite German pressure.

Officials here, deeply regretting the necessity which has driven Austria to take the step she has taken, are nevertheless gratified at the way it has come about, and that the United States was not responsible for it.

As with the recognition of a state of war with Germany, officials point out that the situation was provoked by the other side, and not by the United States.

Officials here and in Vienna have been prepared since February 3 for the present situation.

Sixty-two days elapsed between the break in relations between the United States and Germany and the formal declaration of a state of war.

How many days will elapse before Germany's chief ally enters a state of war with Germany's newest enemy will be decided directly by circumstantial and the precedence of centuries.

The diplomatic history of civilization show a state of war invariably follows a break in diplomatic relations between the first class powers.

Quite aside from this, however, Austria has subscribed, even if only academically, to Germany's campaign of ruthlessness; although she has not carried it out against American interests.

Anti-American propaganda, conducted by Austrian agents under German

direction, have been no less offensive and scarcely less effective than the German propaganda itself.

A clean break between the United States and Austria was sometime ago recognized as the logical development. Charge Grew at Vienna also will turn over to Spain British and Japanese interests, which this country has looked after since the beginning of the war.

Italian, French and Roumanian interests in Austria-Hungary, previously looked after by the United States, were ordered turned over to the Swiss Minister.

American ambassadors, ministers and consular officials in France, Great Britain, Russia, Serbia, Japan, Morocco and Egypt will stand ready to turn over Austrian interests, which the United States has represented in those countries since the beginning of the war, to whatever nation the Austrian Foreign Office shall indicate.

OUR SAILORS ARE EAGER TO MAKE 'VICTORY' WIGWAG A REALITY SOON

SWEDEN WILL TAKE CHARGE

By Associated Press Dispatch.
Washington, April 9.—Austria-Hungary has asked Sweden to take over her interests in the United States.

Minister Nkengren later conferred with the Austrian Charge, making arrangements for the transfer of interests, and it was officially announced at the State Department that Sweden would take over the interests of the Vienna government.

Swedish consuls in various cities throughout the country will be immediately instructed to assume the affairs of the Austrian consulates.

BRITISH ADVANCE

(Associated Press Cable.)
London, April 9.—British troops today penetrated the German lines along a wide front from Arras to Lens, the War Office announces.

The statement says that in the direction of Cambrai the British have stormed two villages and penetrated Havincourt Wood.

Referring to the attack on the front between Arras and Lens, the statement says: "We are making satisfactory progress at all points."

FORMER SECT. OF STATE IS DEAD AT 82

By Associated Press Dispatch.
Boston, April 9.—Richard Olney, Secretary of State under President Grover Cleveland, died at his home here last night. Mr. Olney, who was 82 years old, had been ill several weeks.

Richard Olney served successively as attorney general and secretary of state during the administration of President Cleveland, and although at the head of the State Department for the short period of one year and nine months only, he won reputation as a statesman of commanding ability and force. His greatest triumph was his successful insistence upon arbitration of the boundary dispute between Great Britain and Venezuela.

Importantly disregarding the warnings that a rigid maintenance of the Monroe Doctrine might plunge the United States into war with Great Britain, President Cleveland and Secretary Olney carried out their own ideas of diplomacy.

Mr. Olney was born in Oxford, Mass. in 1835. His father was a textile manufacturer and banker. In the years following his graduation from the Harvard Law School in 1858, Mr. Olney won high distinction in his profession and became an authority on matters of probate, trust and corporation law. His sole appearance in public office before going to Washington was in 1875, when he served one term in the Massachusetts House of Representatives.

When, in 1894, he permitted the presentation of his name at the Democratic national convention as a candidate for the presidential nomination, he received 38 votes, including the solid support of the Massachusetts delegation. President Wilson urged him to accept appointment as ambassador to Great Britain and later offered him the position of governor of the Federal Reserve Board, but in each instance Mr. Olney declined.

EASTER IN THE CHURCHES

Easter morn rose gray and chill but people were quite unprepared for the day of snow and real winter which developed and pre-emptorially forbade the usual Easter parade. It was a record breaking Easter Sunday in its entire absence of springtime brightness, without a single ray of sunshine penetrating the heavy cloud.

But regardless of cold winds people thronged the churches where all gloom was dispelled by the radiance of Easter cheer, and the magnificent message of Easter was proclaimed in sermons of eloquence, in triumphant anthems, and in a wealth of bright spring flowers.

Each of Washington's churches vied in beauty of decoration and Ascension lilies, and all the fragrant blossoms of the Easter season, banked the altars and filled the chancels.

The Resurrection and its message of hope was the theme in every pulpit and in a number of the churches the ordinance of baptism was administered. Several of the churches gave evening concerts of elaborate preparation.

Presbyterian Cantata.

The Cantata, "The Crucified,"—George B. Nevin—was rendered at the First Presbyterian church Sunday night, under the direction of Miss Ada Woodward.

In it the joy and wonder of Easter found expression in harmonies of exceeding sweetness and beauty. It was by no means an easy task to give to the cantata adequate musical expression and both the chorus and the leader deserved much commendation for the smoothness and correctness with which it was rendered. There was a large choir, the parts well proportioned, and working up splendidly to a brilliant climax.

The solos were well taken by Mrs. Mary G. Burgett, Miss Woodward and Mr. Walter Sprenger.

Mr. Sprenger's baritone solo with chorus of women's voices was one of the prettiest of the cantata. Mrs. Burgett's rendering of the alto solo, "Judgement," once more proved her reliability and gifts as a singer and Miss Woodward was in excellent voice. There was also a strong chorus of men's voices.

Before the cantata Mrs. Werter Shoop sang a very beautiful soprano solo "Behold the Risen King."—Dressler.

The Processional, "See The Conqueror Mounts in Triumph," and Recessional, "Lift up Your Voices,"—Calkin—sung by the choir in vestments which were impressive features of the service.

Mrs. Lillie G. Davis rose superbly to the very difficult organ work in both solos and accompaniments.

At the morning service the "Sunshine Choir" under Miss Lillian Davis, direction sang sweetly. Miss Kessler played a violin solo besides Easter anthems and a full orchestra added to the music.

Part of Rev. Wm. Boynton Gage's sermon was quite a departure from the usual and somewhat in the nature of a memorial to a number of valuable members of his church called to immortal life since the last Easter. He offered to each a beautiful personal tribute.

Grace M. E. Church.

At Grace church Sunday night the Cantata, "The Risen King,"—P. A. Schaefer—was presented by a splendid chorus of thirty voices.

The choruses breathed the Easter spirit and buoyancy of tone volume, and passed off with admirable smoothness under the excellent training of Miss Elizabeth Sheen.

Miss Louise Larrimer took the solo work of the Cantata. Her voice, although young and not matured in is very lovely and sympathetic in quality and suited the solo to perfection.

Mr. C. S. Haver, who has a fine baritone voice, highly trained, gave much pleasure in a solo, "Open the Gates of the Temple,"—Mrs. J. F. Knapp.

Miss Light, organist, added greatly

to the program in solos and well rendered accompaniments.

Rev. Arthur P. Cherrington, pastor, interspersed the music with an effective little Easter address.

At the morning service there were two splendid Easter anthems, Miss Gardner taking the incidental solos with her usual effectiveness, and a solo by Mr. Haver.

Church of Christ.

The Easter song service of the Church of Christ went off splendidly under the able direction of Mr. Clifford Irvin, and Mrs. W. E. Robinson, pianist.

The Easter anthems were well selected and of much beauty.

The incidental solos were very pretty, sung by Mrs. Hamer McDole, Miss Florence Michael and Messrs Henry and Charles Snider.

Mrs. Herbert Campbell added a beautiful contralto solo to the program.

The pastor, Rev. G. E. Groves, made an excellent short address.

First Baptist Church.

The First Baptist church held no evening song service, but the morning service was marked by its impressive Easter observance in both splendid sermon and fine music.

The choir under its competent chorister, Mrs. John Browning, sang joyous anthems which showed thorough study. Mrs. Browning, who has a soprano voice of very beautiful quality, sang "I Know That My Redeemer Liveth."

At the evening service there was a quartet of fine harmony, the singers, Mrs. Walter McLean, Mr. and Mrs. J. Howard Hicks, Mr. Laris Hard and Mrs. McLean took the solo in the anthem.

Miss Mabel Briggs' work as accompanist was excellent.

St. Andrews Episcopal.

Following the solemn service of Holy Week Easter was observed at St. Andrew's Episcopal church, and it was a service of much impressiveness Sunday morning.

The Rev. Joseph H. Dodson, Archdeacon of Southern Ohio, held the celebration of the Holy Communion and preached the sermon.

There was special Easter music including a beautiful quartet sung by Mr. and Mrs. E. E. Bush, Miss Hollingsworth, Dr. L. P. Howell, Easter anthems and chants, under the direction of Miss Jessie Leavell. Miss Marie Tharp was organist.

The full vested choir and Easter processional lent added dignity. Justin Evans was Crucifer and Hiram Hitchcock flag bearer.

McNair Memorial Church.

The large audience at the McNair Memorial Presbyterian church Sunday night was greatly pleased with the excellent cantata under the faithful chorister, Mr. E. E. Bush. Miss Gladys Butcher did efficient work as pianist.

The Cantata "Victory Divine," was replete with beautiful Easter melodies and the choir sang with good expression and attack. Solo parts were exceptionally well taken by Miss Jean Hollingsworth and Mrs. Cary Cripps, soprano, Dr. L. P. Howell tenor and Mr. Bush, bass.

In the absence of a pastor. Mr. J. S. Reeder presided.

St. Colman's Church.

Easter was celebrated with much beauty and solemnity at St. Colman's church.

The first mass was celebrated at 7:30 with the church filled with members of the congregation and visitors. The Easter anthems were sung beautifully. Mrs. Frank Focke sang Ave Maria at the offertory with much sweetness. The entire congregation received communion at this mass forming an impressive and edifying sight.

The concluding services were celebrated at 9:30 with the male choir rendering a beautiful mass recently approved by the Diocesan commission of church music.

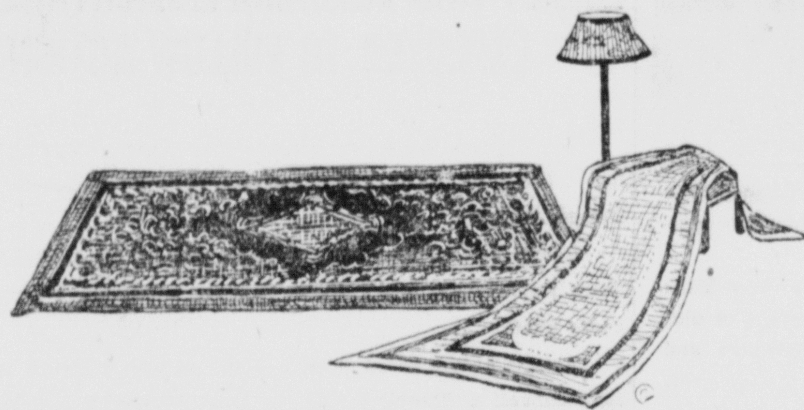

Solos were well sung by Messrs. Thos. and Edward Cullen, Fred Simpson, James and Aloysius McDonald. Aloysius McDonald's voice being

Rev. Father Fogarty preached at both masses drawing many faithful and consoling lessons from the Resurrection.

The altars have never appeared more beautiful. They were ablaze with hundreds of tiny electric bulbs and gleaming tapers against a background of Easter blooms.

The great success of the fitting celebration was due to the zeal and good work of Rev. Father Fogarty whose active interest in all parish work has aroused the admiration and esteem of the members of St. Colman's church. The attendance was the largest ever remembered at any Easter. Miss Margaret McDonald's efficient work as organist, was a feature of all services.

SUNDAY SCHOOLS.

The threatening weather Sunday morning, was no bar to the attendance at Grace church Sunday school, where the attendance was 615, and the Easter collection, which is always given in its entirety to foreign missions, amounted to \$178.02. Mrs. D. H. Rowe's class led all others with a collection in excess of \$24, and an attendance of 96 women. In the men's class 86 men were present. Following the regular Sunday school

a short program was rendered by the Primary Department. Superintendent Herman Price was in charge.

At the McNair Memorial Sunday school the Primary Department in charge of Mrs. Cary Cripps and Mrs. E. E. Bush, put on a very attractive program.

The attendance at the First Baptist Sunday school was a record breaker, the largest in its history.

An unusually attractive program combined Easter and Japanese features, and the large collection was for missions in Japan.

The stage was set for a Japanese play, a lesson in Missions, with the children in Japanese costumes was a foremost feature of the children's pleasing exercises.

Miss Mary Robinson had the program in charge and Mrs. Howard McLean the pretty settings. Miss Gertrude Miller was pianist and there was a good orchestra.

At the close of the evening service the ordinance of baptism was administered to five people.

The Presbyterian Sunday School program was charming, principally given by the Primary Department, in charge of Misses Edna Head and Mary Pyley; Miss Helen Head at the piano. The intermediate department also participated. Supt. Cary Persinger presided.

The Christian Sunday School put on a good Easter program in the interest of benevolent work of the church, under Supt. James Minshall.

Winter's Last Fling

On Easter Sunday the weather conditions were anything else than bright with the promise of coming springtime.

Indeed to the thousands who were housed up by the snow and wind which rushed out of the north and east, the scenes in the big out of doors were typical of the middle of winter.

The driving snow soon formed a "blanket of white" of more than an inch in depth over the ground which did not at all harmonize with the Easter finery which the young folks had provided for the coming out time.

Easter was not early this year either and that made the prevalence of winter weather conditions more remarkable and disappointed some of the forward bulbous plants had struggled to bloom in the early days of April only to be compelled on Easter Sunday to lift their drooping heads above miniature snow banks.

The trees and shrubbery, however, clad in the white snow presented a scene of purity and beauty after all in harmony with the time.

That winter has "held on" unusually long this year it did not require the indisputable evidence of Easter Sunday to remind us.

It may be that the weather of Sunday was old King Winter's last fling before taking himself off into history.

Every one in these parts will be glad when the old visitor makes his departure. He has worn his welcome out some weeks ago.

The Nation's Food

The United States is not only to open its coffers "bulging with money" to assist the Allies but it is to be called upon to furnish tremendous supplies of foodstuffs.

Ours is the only one of the great nations now producing anything approaching a normal harvest of foodstuffs and that harvest promises this year to fall short in some of the most important products.

The price of the necessities of life, especially foodstuffs seems destined to advance beyond its present almost prohibitive figure.

The Government must not only mobilize its troops and prepare them for active service, provide for meeting its own extraordinarily heavy expenditure, furnish finance to the Entente Allies but above all it now seems imperative that it mobilize its food supplies and all the necessities of life.

Not only that but the men who handle foodstuffs and all necessities should be enrolled in the service of the nation in a manner which will forbid anyone taking advantage of conditions to manipulate the supplies for the purpose of making an unconscionable profit.

It is fully as important to feed and cloth the nation as it is to defend it on the field of battle.

The Government has the power to enroll every man who handles food stuffs and necessities and if the people are to raise these staggering sums of money they must be protected from unpatriotic speculators.

There are, unfortunately, some men who would undertake to make enormous profits out of this most grave crisis which the nation faces and the Government should prepare against that kind of enemies just as thoroughly as it does against its enemies who acknowledge allegiance to another Government.

An army of trained middle men to gather and distribute the necessities would be the most effective force which the nation could muster.

It would guarantee the "living" of the people.

High prices and shortage of necessities is perhaps the biggest menace the great majority of the people of the United States are facing.

Tax Listing Time

This is tax listing time. That time comes around every year. It never fails so there is nothing particularly unusual about the fact that time for listing property for taxation has again arrived.

There is something, however, unusual in the manner in which Ohio people are to list their property this year and it is to be found in the fact that Ohio has done away (on trial only) with the old unpopular tax gathering system.

This year the people are to do the work themselves and upon their honesty and their promptness depends the success of the law.

Four years ago the old elective assessor system was found unsatisfactory and the appointive system established. It raised a storm of disapproval and a repeal of that method was ordered by the voters. A return to the elective system proved unpopular and that system again demonstrated its inefficiency.

The present law is the result of the legislative effort to bring results with as little annoyance as possible to the people.

If the people will justify the trust placed in them by the law makers. A new era has dawned. If Ohio can show a larger duplicate this year than last, the increase being proportionate to the increase in amount and value of property it will be a splendid testimonial to the people of the state.

A new plan is on trial and a fine belief is being put to the test.

Poetry For Today

OUR UNION'S WOMEN.

They face their country's danger with repose
And tranquil hearts, yet not with foolish thought
That warfare comes with no sad horror fraught;
There is the calm of courage—calm that knows
The strength of union over scattered foes!
And to her duty, ere war's morning breaks,
Each will move firmly, bravely resolute,
In other wars, what useless crash mistakes!
Fatalities which were but natural fruit
Of man's instruction. He must give the blows.
While women wept, or turned a weakling hand
To simple toil, as carnage swept her land,
Bringing oftentimes, its doom to blast her heart,
Where she was helpless, in her home, apart.

Today the call falls not on timid ears
Of frightened wives whose husbands must away;
The Union's women wait upon the fray
And each is through with unselfishness and fears.
Such is the harvest of a few grave years
Wherein great truths have plainly been revealed.
There is no weakness when a woman's brain
Has felt man's law of human sex repealed
By that great master of instruction, Pain,
That leaves its lessons while it cuts and sears.
Let warfare come, if only so we save
Our country's honor, and among the brave—
Sharing the work of war, and all its fates—
Will be the women of our loyal states.

SAD DEATH OF FORMER RESIDENT

A particularly sad death occurred in Columbus Sunday afternoon when Mrs. Medrith Groff Johnson, wife of Chas. F. Johnson aged but 29 years, answered the eternal summons, leaving her husband and an eight weeks old child. Mrs. Johnson was the daughter of Mr. and Mrs. Harvey Groff, of above Bloomingburg, and is also survived by two sisters and two brothers.

Mr. Johnson was formerly a well known teacher of this county and has the deepest sympathy of many friends in this community, as has also the Groff family.

The body was brought from Columbus by undertaker Klever on the 3:32 B. & O. and taken to the home of Mr. Harvey Groff.

Funeral services will be held Tuesday afternoon at 2 o'clock in the Bloomingburg M. E. Church. Burial will be made in the Bloomingburg cemetery.

DEATH SUMMONS MRS. JOHN THARP

Mrs. Laura B. Tharp wife of Mr. John Tharp well known farmer died at 2:40 Monday morning at the home on the Waterloo pike.

For some time Mrs. Tharp has been in failing health and all that medical science could do was unavailing to effect recovery.

She is survived by her husband and five children Oliver, of Mt. Sterling; Mrs. Ethel Crispin, Mrs. Bertha Baker, Roy and Laura Tharp, who will miss a devoted wife and mother. Mrs. Tharp's deepest interests always centered in her home, altho she was a kindly neighbor and sympathetic friend.

Funeral services will be held Wednesday at 1:30 p. m. at the Bloomingburg M. E. Church and burial will be made in the Bloomingburg cemetery.

ACKNOWLEDGEMENT FROM PRESIDENT

"The President is very grateful for your generous pledge of co-operation and support, and he hopes that you will accept this informal acknowledgement of your message as an expression of the deepest appreciation of your patriotic offer."

ENJOYABLY ENTERTAINED

The entertainment given at the M. E. Church in Bloomingburg, Friday evening by the two T's, was a decided success.

"The Modern Art Gallery" exhibited by Miss Gladys Klever was well received, Betsy Ross, Mary and her lamb; Little Girl Blue; Singing Sara and several others, created much laughter and applause. The exhibition was very clever and original. "The Old Peabody Pew," by Kate Douglas Wiggin, provided much

amusement as the "Dorcas Society" appeared in their quaint, old-fashioned costumes, to sew carpet and scrub for their dear old church. Marked natural ability was shown in many of the characters.

Miss Lala Murphy as "Mrs. Burbank" the kind president of the Dorcas Society was well taken. "Lobelia Brewster" who was no lover of men, taken by Gladys Klever made quite a hit. "Marie Sharp," quick of tongue but sound of heart, by Pauline Klever, was fine. "Mrs. Sargent," wise in village lore, was admirably taken by Edan Althebaugh. "Mrs. Miller" was well carried out by Gladys Laninger. Glays Evans was a typical "Widow Buzzell, Erceel La-follette, as "Mrs. Baxter" the minister's wife and Nancy's friend, won the hearts of the audience. Martha Couch as "Nancy Wentworth," who had waited ten years for her romance and Don Andrews as "Justin Peabody" the returned lover, revealed much talent in their parts.

Miss Goida Bitzer introduced the characters. The music was good and highly appreciated.

GUARDS ON DUTY AT GREENFIELD

A platoon of guards, who are but recently back from the Mexican border, is now on duty at Greenfield, having arrived a day or two ago, for the purpose of guarding the B. & O. and D. T. & I. railroads at that point.

The cold weather has caused severe suffering among the troops. Plans have been made for quartering the troops in the fire department at Greenfield and in camp cars until their equipment arrives.

The platoon has a machine gun which has been stationed to command the bridge at Greenfield.

The name of the company and regiment of which the platoon is a part is withheld for military reasons.

DRUNKS MUST PAY OR GO TO WORKS

A new edict has been issued by Mayor Oster, who beginning at once will collect all fines from drunks or send the person to the workhouse to work out the fine and costs.

Heretofore some of the habitual drunks have failed to pay, although facing His Honor time after time. They must pay in future or work it out, declares Mayor Oster.

Washington, April 9.—Efforts of American farmers to bring this year's winter wheat crop to record production for war-time needs apparently have been defeated by severe weather conditions, and a crop of only 430,000-000 bushels now is expected. In forecasting that total the department of agriculture announced that the average condition of the crop April 1 was the lowest ever recorded on that date. The production estimate was based on the assumption of average abandonment of acreage and average influence on the crop between now and harvest time. This is a slump of 50,000,000 bushels as compared with last year's crop. Production of rye this year promises to establish a record with 60,000,000. Farmers in the rye growing states increased their acreage by 740,000 acres last autumn.

THE AUTHOR

Rex Beach

Rex Beach, the author of Pardners, is one of the best known young authors in the world. He's also the author of the "Spoilers," "The Barrier," "The Ne'er Do Well" and others.

THE COLONIAL THEATRE

After extensive improvements, the New Colonial is now open to its patrons, showing plays even better than before. The manager and staff, each an expert in his line, have made the Colonial Washington Best Photo Play House.

A thrilling mining frontier story by Rex Beach. The scenes are laid partly in the rough mining country along Caribou Creek and in the Gambling Hells of Rampart City. The fascination of the piece is in its intensely dramatic quality and the atmosphere truly reveals the atmosphere of loneliness and suffering from cold in the long arctic nights. This production is replete with thrilling adventures and realistic scenes.

WOMAN ENDS HER LIFE BY USE OF ROPE

After sending her little flock of three children to school and requesting them to bring their books home in the evening, Mrs. Almada Graves, 35, wife of Volley Graves, of the Selden neighborhood, went to a coal shed and there hung herself to a rafter.

Mrs. Graves had been in the state hospital, and was released some two years ago. During the past few weeks she had shown indications of a return of the malady, but her husband did not suspect the plan which she had of taking her own life. He was horrified upon his return from work, Monday morning to find the dead body of his wife swinging from a rafter in a coal shed near the home.

The Graves lived on the Anson Graves farm, near Selden, and the deceased leaves a husband and three children, two sons, Harold and Herschel, and Dorothy.

Mrs. Graves had fastened one end of the rope to a rafter and then, while standing in a little wagon owned by the children, adjusted the rope about her neck, after which she kicked the wagon aside and slowly strangled to death with her toes a few inches from the ground.

Coroner C. A. Teeters went to the scene and viewed the remains.

Funeral services Wednesday morning at 9:30, and interment in the Washington cemetery.

JUBILEE SERVICE

There will be an all day Jubilee meeting held at Grace M. E. Church Thursday, April 12th beginning at 10:30 a. m. There will be a "young peoples hour" at the morning service and it is hoped that no one will miss this very interesting hour.

At 2:30 p. m. Dr. Emma J. Beto a returned medical missionary from China will speak. This should bring seeking aid from the county auditor.

out every woman in the church. Dr. Beto will be remembered as a guest in the city sometime ago and while here gave a very interesting and instructive address both afternoon and evening which was appreciated by all who heard her. Every woman in the county as well as in Washington C. H. should avail themselves of this opportunity and privilege to hear Dr. Beto on next Thursday, at 7:45 also Dr. Beto will speak. All women are asked to come bringing box lunch for noon meal.

This Jubilee service will be under the auspices of both the Woman's Foreign Missionary Society and the Young Woman's Foreign Missionary Society. The women from other churches in our Chillieth District have been invited—Everybody Come—all are welcome. 84 13

TAX BLANKS A GORDIAN KNOT TO TAXPAYERS

The new tax blanks have been received with anything but a kindly feeling by the unspeaking taxpayer, who invariably gave one startled glance at the blank-sheet before him and threw up his hands in despair.

After a second look at the blank the taxpayer found it less complex, but in a great many instances decided to seek help at the county auditor's office for assistance in filling out the form.

As a result of this decision the Auditor's office is the busiest place in the court house, and the indications are that the rush of business will continue for some time.

In the meanwhile Co. Auditor Plae like every other Auditor in Ohio, is doing all in his power to assist the taxpayers in wrestling with the forms, and has two additional assistants besides the regular office force. All are kept busy answering questions and adding the tax lists in every way possible.

Taxpayers are requested to give the blanks careful consideration and to study the instructions before attempting to fill the blanks, or before seeking aid from the county auditor.

UNION WILL CENTRALIZE

By an overwhelming majority, Saturday, Union township voted to centralize the public schools of the township, and to issue \$50,000 in bonds for this purpose.

On the same day and by a decisive vote Jefferson township rejected the proposal to centralize, not because of opposition to centralization, but because of the plan of centralization in that township.

In Union the vote was 160 for centralization and 56 against the proposal, while 137 wanted the bond issue and 66 voted against the bond issue. The total vote cast on centralization was 216 and on the bond issue 203, or 13 less than on centralization.

The vote in Union was divided up as follows: Eastern precinct, 82 votes cast, 54 for and 28 against centralization; for bond issue, 42 for and 36 against. Western precinct, 134 votes cast, 106 for and 28 against.

In Jefferson township the vote was heavier than in Union, 240 votes being polled, 193 against centralization and 47 for the proposal. The vote by precincts was: Northern, 89 votes, 17 for and 72 against; southern, 151 votes, 30 for and 121 against.

The first proposal agreed upon by the boards of education of Jefferson township and Jeffersonville was to consolidate a large portion of the Jefferson township schools at Jeffersonville. The following day an election was called for centralizing the schools of the entire township, and because of no practical method being proposed, or one that met with the general approval of the taxpayers, the sentiment was very much against the proposal, although many frankly stated that they favored centralization if the proper plan for consolidating the schools was worked out. Others stated that with the prospect of higher taxes due to war, coming on top of the regular taxes and the two mill tax levy for road purposes, they would not vote for anything that meant a higher tax at the present time.

The next step in Union township will be locating the schools by the township board and calling for plans and specifications for buildings.

Mrs. C. Howard Griffith returned Saturday night from Columbus from a week's visit with Mrs. J. Trobridge in Columbus and to attend an Oxford reunion.

IN SOCIAL CIRCLES

The Easter season was marked by several pretty affairs and none more attractive than the Easter party given by Miss Margaret Mark Saturday afternoon.

The dominant note of the decorations was yellow and white carried out in a profusion of Easter blossoms and in an elaborate collation.

The Easter idea was also prevalent in favors of Easter chickens and eggs. Twenty-five girls enjoyed a diversity of amusements provided by the charming young hostess, Misses Ada Woodward and Emily Palmer won the prizes in two entertaining contests.

Music was also a feature of the afternoon. Miss Ruth Parrett sang beautifully and Miss Helen Jones played two brilliant MacDowell numbers, and there were informal piano and vocal numbers by Misses, Davis McKee and Hillery.

Miss Mark was assisted by her mother, Mrs. Fred Mark, Misses Helen Jones and Cloe Anderson and cunning little Mary Louise Mark.

A pre-Easter wedding of interest to many friends in the county was that of Miss Jessie Cook, the attractive daughter of Mr. and Mrs. Charles Cook, and Mr. Edgar Denen son of Mr. and Mrs. George Denen, both of Paint township.

The bride was becomingly attired in white voile with hat and gloves to match.

Rev. Cherrington preformed the ceremony at Grace parsonage.

Mr. and Mrs. Denen went at once to house keeping on the Furry farm near Staunton where the bridegroom a hustling and progressive young fellow, will engage in farming.

Mr. and Mrs. Val McCoy and Mr. Howard Hagler extended the always cordial hospitality of their home Sunday at a pleasurable Easter dinner.

A profusion of Easter flowers waited fragrance through the rooms and the central embellishment of the table was a lovely water garden of daffodils.

Covers were laid for eighteen, the guests including Mrs. Luella Herbert, of Columbus, Mr. and Mrs. Frank L. Parrett, Mr. and Mrs. Clayte Parrett and son, Mr. Gale Parrett, Mr. Roy Hagler and family, Mr. and Mrs. George A. Robinson and little son, George Jr., Miss Mary Robinson, Mr. Arthur Staubus.

SCHOOL TEACHER

Anaemic, Run-down, Nervous — How She Recovered.

There are so many cases like this right here in Washington Court House that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy results that Miss Baez did.

Key West, Fla.—"I am a teacher and became anaemic, nervous, run-down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night and it built me up so I have the ambition to do any kind of work." Mary L. Baez, Key West, Fla.

The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of trouble. The peptonate of iron, manganese and glycerophosphates contained in Vinol enriches and revitalizes the blood, while the strengthening, tissue-building properties of beef and cod liver peptone aid in building up the tired, overworked, run-down system.

SUNNYSIDE READY FOR BIG MEETING

The patriotic meeting to be held Wednesday evening at the Sunnyside school building under the patronage of the Sunnyside Parents-Teachers club, and in response to Governor Cox's proclamation of the hour from eight to nine of that evening as a sacred time, has awakened a responsive chord in the hearts of the people.

Enthusiasm runs high and the affair is expected to be a grand success.

This being the last meeting of the club for the school year a very short business meeting will be held beginning promptly at seven o'clock, for the purpose of receiving the report of the nominating committee and for the annual election of officers for the coming year.

The patriotic exercises will begin at eight o'clock.

Speakers will be limited to very short addresses.

On account of the large number of children expected to be present, the meeting will close promptly at nine o'clock.

A period of consecration will be followed by the singing of patriotic songs by the assemblage.

Short addresses will be made by Hon. C. A. Reid, Attorneys W. B. Rogers and E. L. Bush, and Dr. R. M. Hughey.

Kessler's Orchestra will furnish the music.

Bontonnieri flags will be given as souvenirs to those in attendance.

The committee of men who have charge of the arrangements, have met with the most enthusiastic response from the business men of the city and from all classes of citizens in a financial way.

Everybody invited.

BEAUTIFUL SERVICE HONORS THE DEAD

All that was mortal of Mr. William Manning was laid to rest in the Washington cemetery Saturday afternoon, following services of beauty and tribute, conducted by Rev. Wm. Boynton Gage.

The home was filled with business associates and many personal friends feeling keenly the loss of one of the esteemed men of the community.

The minister spoke of Mr. Manning's life and character with deep appreciation and read the hymns.

A profusion of beautiful floral remembrances surrounded the quiet sleeper.

A number accompanied the family to the cemetery for the last rites. Acting pallbearers were Messrs. Wm. Swartz, Harry C. Parrett, Martin Hamn, Wm. Fogle, Lester Dodd and Ed Payne.

Relatives here from a distance were the only son, Howard J. Manning, of Columbus; a sister, Mrs. Wm. Jenny, and daughter, Mrs. Wm. Fosdick of Bond Hill, Cincinnati.

LARGE BARN IS BURNED SUNDAY

Mr. Elba Zimmerman, residing on the Harold pike, between Jeffersonville and Bookwalter, suffered a \$4500 loss, Sunday noon, when his large new barn was completely destroyed by fire and other outbuildings were saved only by the hardest kind of work on the part of Mr. Zimmerman and neighbors who rushed in to assist in preventing a spread of the flames.

Mr. Zimmerman and family were eating the noonday meal when they noticed flames bursting from the roof of the building. Six horses were in the barn, and Mr. Zimmerman, realizing that the structure was doomed, turned his attention to getting the horses from the burning building, and succeeded.

Part of the farm machinery and other farm equipment was removed, but most of it was destroyed in the flames.

In addition to harness, hay and farm machinery destroyed, 1,000 bushels of corn in a granary in the barn was either burned or badly damaged.

Fortunately the wind carried the flames from the house, and thus prevented a much heavier loss.

Mr. Zimmerman will rebuild the barn as speedily as possible. He carried some insurance.

How the fire originated is a complete mystery.

GUILD MEETING

The Woman's Guild of the Presbyterian church will be entertained at the home of Mrs. Welter Shoop at two o'clock Wednesday, April 11th. Ladies of the church and all cordially invited.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician of 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

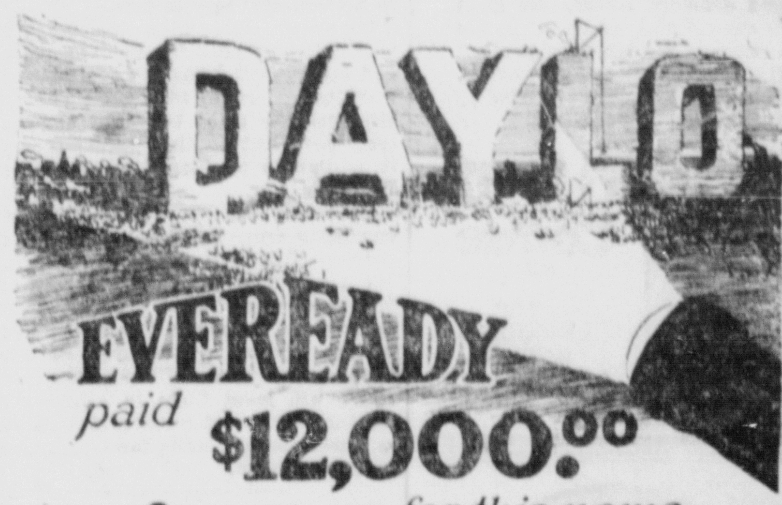

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

DAYLO fulfills in a masterly way the requirements specified, viz.: a coined word that we can register as a trade-mark and a name easy to remember and entirely simple to pronounce. "DAY" suggests perfect light, and "LO" means "Behold!"—"See!"

The true significance, the living ideal of the reliability and service characteristic of our product will hereafter find its expression in the new name, Eveready "DAYLO."

PRODUCED LESS THAN IN 1860

COLUMBUS, APRIL 9.—President Taft of the Ohio State university will represent Ohio this week at a national food conference at St. Louis called at his suggestion by Secretary of Agriculture Houston. Secretary Stauffer of the state board of agriculture gave out a statement declaring there is no excuse for Ohio's producing less now than in 1860.

With twice the number of people to feed, Ohio last year produced less in food commodities than she did the year before the civil war. This remarkable fact doesn't "set well" with the men who are at the head of the agricultural interests of the state. It's a situation unpleasant enough in view of increased prices in peace times and endlessly more so with a war to carry to a successful termination.

Governor Cox, with his acreage proclamation, recently set the pace, and others at the head of agricultural machinery, such as Ohio State university and the state board of agriculture, have lost no time to set things in motion to produce a bumper crop this year.

Governor Cox plans to mobilize an enormous army in Ohio—an army of patriots that will produce and conserve a food supply that will help to feed the nation during the war. Just as soon as President Thompson and Alfred Vivian, agricultural college dean, return from St. Louis, the governor will meet them in conference for the purpose of working out on an extensive scale details for Ohio's war crops campaign.

WILL ADVERTISE CALIFORNIA FRUITS

California is the constant source of interesting news topics to the grocery trade, but now comes the announcement of a colossal advertising campaign, the largest and most extensive ever conducted exclusively on California canned fruits and vegetables and other kindred Pacific Coast products.

The campaign is backed by the California Packing Corporation.

The enormous quantity of Pacific Coast products packed and handled annually by the California Packing Corporation may be appreciated by the fact that its total output is sufficient to supply about five pounds of food food to every man, woman and child in the United States.

Over sixty-five canneries and dried fruit packing plants are operated by his company in the best fruit sections of California as well as Idaho, Oregon, Washington, Utah and the Hawaiian Islands.

Only partial details of this campaign have so far been announced, but we are informed the California Packing Corporation will feature its celebrated Del Monte Brand, which carried away the Grand Prizes at both the Panama-Pacific International and the Panama-California Expositions.

SPRING GETS LOST; KING WINTER BACK

Sunday night was the coldest 8th of April night experienced in this part of the country in a great many years, the mercury dropping to 19½ degrees above zero, official registration.

The cold weather followed a typical "March" blizzard lasting a good part of Sunday, beginning about 11 o'clock Sunday morning. The snow was driven by an eastern and northeastern gale.

Fortunately the carpet of snow prevented serious injury to the rapidly growing grass and wheat, but it is believed the fruit buds were still further damaged by the low temperature.

PROBLEM OF CENTURIES

How the problem of centuries—the discovery of the Antarctic Continent by Sir Douglas Mawson—was solved will be portrayed by Lyman H. Howe at the High School Auditorium on next Monday night, in the most remarkable reproduction ever secured. It is a revelation of what it means to penetrate into regions where no man has trodden since the dawn of creation. To witness these scenes coming from the depths of the desolate polar regions is not merely a liberal education in itself, but at the same time a source of genuine entertainment. Throughout the film the world's funniest comedians—penguins and baby seals—freely contribute comedy that is simply irresistible and a humor that is all the more rich and rare because it is so natural.

The tranquil glory of Yosemite National Park will also be shown with its wonderful vegetation and crystal rivers plunging over precipices nearly a mile high while folds of spray glitter in the sunlight like a veil of diamonds.

The daring of automobile drivers racing their cars up the steep grades and around the perilous curves of Giant's Despair, at Wilkes-Barre, Pa., forms still another of many subjects too numerous to mention, and merry-making cartoons will appear early and often to the delight of Howe's audiences who always welcome their clever and lively antics.

"MADE IN U. S. A."

The Overland Big Four continues the famous 35 horsepower Overland which made this institution the second largest automobile concern in the world—in eight years.

It is the same comfortable, roomy, powerful, rugged car that for years has outsold all cars which now sell for more than \$400.

Its brand new body design makes it more attractive than ever.

The wheelbase is 112 inches and it has long 48 inch cantilever rear springs.

We believe it is the most comfortable, the easiest riding car to be had for the price—\$850.

It is as clearly as ever the excess value car of its class.

And the Overland Light Six is likewise the excess value car of its kind.

Most of the body and chassis parts of the Light Six are the same as those of the Big Four.

So the Six shares directly in the economies of the combined production of fours and sixes.

These cars exemplify with great clearness the excess values made possible through the economies effected by our huge production of the most comprehensive line of cars ever built by any one producer.

Ask us to show you the Big Four and the Light Six.

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not have to bother with a cloth. You simply rub it on—and usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).
